2017 Wish List

(Pastor's Note: We reviewed what we have accomplished these past 21 months and then we dreamed BIG. The items on this list will take significant prayer work, visualizing and financial support. The two current top priorities are "Complete the Sanctuary" and "Youth Ministry." We have already met with an Audio Engineer who is working on a plan for the A/V component. We are grateful for your support. Always in Love, Ric)
